The support you need—every step of the way

ONESOURCE™ provides education, assistance with access to SOLIRIS® (eculizumab for injection), and ongoing support for people living with the rare disorders SOLIRIS® treats, their caregivers, and their healthcare professionals

ONESOURCE™ provides one-on-one support for people living with rare disorders

The ONESOURCE™* program is staffed with experienced Nurse Case Managers with in-depth knowledge of the rare disorders that SOLIRIS® treats and expertise in healthcare reimbursement. Upon enrolment, you will be assigned a Nurse Case Manager who will be the primary contact throughout your treatment journey.

ONESOURCE™ offers a personalized approach to treatment support

ONESOURCE™ provides a wide range of services to all people living with the rare disorders that SOLIRIS® treats, while maintaining their confidentiality.

PHYSICIAN AND PATIENT SUPPORT

- Vaccination services, including coordination and administration of meningococcal vaccines for patients starting SOLIRIS® treatment.
- Coordination of drug shipment and delivery, including prescription renewal reminders.
- Management of clinic and home infusion services, including appointment scheduling and out-of-country infusion support.

REIMBURSEMENT ASSISTANCE

- Reimbursement navigation to ensure maximum coverage for SOLIRIS®, including facilitation of all follow-up with payers.
- Coordination of co-pay support.
- Monitoring of coverage renewals to avoid any interruption in treatment.
- In-office reimbursement support by a nurse or reimbursement expert for physicians.

NURSING SERVICES

ONESOURCE™ has an exclusive network of over 200 experienced nurses across the country with:

- In-depth knowledge of the rare disorders that SOLIRIS® treats.
- A network of 55 private ambulatory community clinics to support the administration of SOLIRIS®.
- Available assistance to coordinate home infusion services.

PHARMACY SERVICES

- Direct-to-home and clinic drug delivery services.
- Pharmacy and distribution coordination available across the country.
- Expertise in the unique requirements related to specialty medications.

Your personalized support service!

ONESOURCE™ provides education, assistance with access to SOLIRIS® (eculizumab for injection), and ongoing support for people living with the rare disorders SOLIRIS® treats, their caregivers, and their healthcare professionals.
